Summary

A passionate **Graphic Designer, Web Designer, and Social Media Manager** with a strong ability to engage audiences online. With 5 years of experience in social media management, I specialize in creating compelling content and strategies that boost engagement. Additionally, I have 1 year of experience in both graphic design and web design, crafting visually appealing designs and functional websites. Currently pursuing a Computer Science degree at Duhok University (Stage 2), I am eager to leverage my skills and knowledge to deliver innovative digital solutions.

Experience

Graphic Designer – Adobe photoshop, illustrator - Canva – 10/2024 to 4/2025
ETP Logistic, Erbil -Iraq **(remote)**

- Designed marketing materials, including social media graphics, brochures, and advertisements.
- Created visually appealing content to enhance brand identity and online presence.
- Managed social media accounts to increase audience engagement and brand awareness.
- Developed and implemented strategies to boost follower interaction and reach.
- Collaborated with the marketing team to create engaging campaigns.
- Ensured consistency in design elements across all platforms.
- Utilized industry-standard tools like Adobe Photoshop and Illustrator for high-quality designs.

Web Designer & Frontend Developer (Freelance & Personal Projects) – Html – Css – Javascript – 3-2024 to Present
Techcamp, Duhok -Iraq **(remote)**

- Designed and developed responsive websites using HTML, CSS, and JavaScript.
- Created intuitive UI/UX designs to enhance user experience.
- Built interactive web elements and animations with JavaScript
- Optimized websites for better performance and accessibility.
- Developed personal and client projects, ensuring cross-browser compatibility.
- Stayed updated with the latest web design trends and best practices.

Education

Bachelor's Degree in Computer Science (In Progress) – 2023 to 2027
University Of Duhok, Duhok, Iraq

Projects

Branding for ETP Logistic Company – 10/2024 to 4/2025
- Designed a complete branding package, including logo, color schemes, typography, and marketing materials.
- Worked closely with the client to ensure the design aligned with their brand values and vision.
- Delivered assets for both digital and print mediums.
